332 Haynie Mill Rd.  
Belton, S.C. 29627

## South Carolina Single Sideband Net

April 8, 2000

### For Immediate Release

**FCC Special Counsel for Amateur Radio Enforcement Riley**

**Hollingsworth, K4ZDH, elected South Carolina Single Sidebander of the year for 1999.**

*BELTON S.C., April 7, 2000* South Carolina Single Sideband Net associate member Riley

Hollingsworth, K4ZDH, has been elected South Carolina Single Sidebander of the Year for 1999.

This honor is bestowed upon one member of the Net each year for outstanding service to Amateur Radio.

Mr. Hollingsworth is the Federal Communications Commission Special Counsel for Amateur Enforcement, and is headquartered at the FCC's Gettysburg, Pennsylvania office.

The South Carolina Single Sideband Net has been in existence since April 7, 1958, and is the oldest Amateur Radio Sideband net in the U.S.. For 42 years it has operated as a traffic net handling messages coming into, around, and out of the State of South Carolina. The Net is called each night at 7:00 P.M., on the frequency of 3.915 MHZ. Mr. Hollingsworth's e-mail address is [rholling@fcc.gov](mailto:rholling@fcc.gov). Additional information can be obtained from Mrs.

Emmie B. Patience, SCSSN secretary, telephone no. 864-225-5054.
