

1962 Sidewinder

Vol. 1

September 15, 1962

No. 2

Here are the licensed gals who attended the Camden Picnic, left to right they are: WA4EFP, Beth; K4JPT, Gracie; W4KOH, Ernestine; and WN4DFL, Nell.

PAPER NEEDS STAFF

Little by little, we are learning more about publishing a net newspaper. One of the reasons we have not been checking into the net recently is because we have been working on the paper.

One bare-faced fact is obvious . . . It is going to take more than one man to keep the paper interesting to all. So we are now in the market for a staff. We already have one wonderful correspondent, Margaret, W4WQM, is handling the net news. She is perfect for the job.

Now what we need is a technical correspondent, one who will read up on building and operating information and

pass it on to us in the form of short articles and drawings. It will not take an engineer for the job, just someone who is interested.

Another man we need is an advertising salesman one who can contact the manufacturers and suppliers and sell some display advertising.

We also need general correspondants in each section of the state, as well as in each of the larger cities. Also all club secretaries should consider that they are automatically on the staff.

If you will volunteer for any of the jobs, please let us know. Don't hold back . . . it's as much your net newspaper as it is anyone's.

Rock Hill Hamfest Oct. 14

The Sixth Annual Rock Hill Hamfest will be held October 14 this year. As usual the event will be at Joslin Park and the registration fee will be the same, \$3.00 per person, or if they prefer, \$1.50 for lunch and \$1.50 for a prize ticket. There will be ample space for parking, picnicing, and family activities for all age groups.

First prize this year will be an Elmac AF 66 transmitter. This and the many other prizes will total more than \$700.00. Many of the prizes have been picked to please the XYLs.

The Rock Hill club says that everything is being planned to make this the biggest and best event of the annual hamfests. Members of the club are busy putting these plans into operation so that your visit to Rock Hill will be enjoyed to the fullest. A most cordial welcome is extended to everyone.
